

# WALPOLE CHILDREN'S THEATRE, INC

We need your help!

Walpole Children's Theatre is a non-profit organization that supports itself completely on the generosity of its volunteers and patrons. We offer education in the Theatre Arts, including but not limited to: acting improvisation, costume and make-up design, behind the scenes operation of rigging, light and sound design. The groups' leaders are volunteers who have grown up with WCT and are now giving back for all they received from the experience.

Since inception WCT has never charged any kind of fee to the children who participate in our productions. We have always believed that our program should not be limited to only those who can afford it. However, the cost of stage rental, costumes, publicity and other essentials do add up, and often ticket sales alone are not enough to cover the expenses.

Below you will find our donation schedule, with the list of incentives offered at each level, along with program advertisement rates for our upcoming production of "Jack and the Magic Beans". This does not mean that smaller donations are not acceptable; we need and appreciate all the support we can get.

Be assured that every dollar you give goes directly into the production at hand, and that any excess will be put towards future productions. We are a non-profit, in every sense of the word and everyone on our staff donates their time on a purely voluntary basis. Thank you for your continued support!!!!
